

Through workshops, clinics, and private instruction, our comprehensive after school experience is designed to hone music performance and ensemble skills in a creative and fun environment. We know from experience that playing in a band situation speeds learning and creates "seasoned" musicians. Even relatively advanced musicians are amazed at the amount of progress they make when regularly playing with other musicians. Students work in a hands-on atmosphere that includes:

- Learning the nuts and bolts of live performance
- Private Instruction
- Studio/band rehearsal time
- Instruction and clinics with music professionals
- Music theory and songwriting courses
- Rock & Roll, Funk, Jazz music appreciation
- Interacting with other young musicians
- A LIVE performance for your friends & family
- Having fun!
- Hands on recording in state of the art professional recording studio

WRITE YOUR OWN SONGS

Students learn to express their ideas through music and lyric writing. Bands are guided through a team-oriented process of writing, rehearsing and performing their original songs. This collaborative experience encourages teamwork and cooperation.

RECORD PROFESSIONALLY

Students will be hands on recording, over-dubbing, and multi-tracking. These tools encourage students to think outside the box to create an original album. Everything from setting up mics to playing instruments to engineering in the studio. All included in the band program.

PERFORM LIVE IN CONCERTS

Live in house and Off sight concerts will be held many times a year. Play on stage in the in house concert hall and at other venues with other touring bands. Local Farmers Markets to big stages all over Sonoma County. Your band will be known!

PRIVATE AND GROUP LESSONS

Joining the band builder program is more than just taking music lessons, students have the opportunity to work with professional working touring and studio musicians AND students team up with like minded musicians with the same goals to create good music. Sonoma County is the home of many famous musicians and who knows who will walk through the door...
